\* 6+1 sets of tires for Practice, Qualifying, and the Duels

<sup>1</sup> If a vehicle does not complete laps in Qualifying or damages (i.e. flat spots, crash damage, etc.) its qualifying tires, that vehicle can carry over a scuffed set of tires from Practice into the Race. Total Race Sets can be a combination of New Sticker Sets, Scuff Practice Sets, and Qualifying Sets without exceeding the Total Race Set Allocation.

<sup>2</sup> New rain tires can be leased from Goodyear at the event, or can be previously leased and transported to the event by the team. Teams must come to the event with a minimum of three sets of rain tires mounted ready to be used. Goodyear will have enough rain tire inventory on hand at each event to provide up to 3 sets per car. The total event allocation can be any combination of tires leased at the event and previously leased tires.

<sup>3</sup> New rain tires can be leased from Goodyear at the event, or can be previously leased and transported to the event by the team. Teams must come to the event with a minimum of three sets of rain tires mounted ready to be used. Goodyear will have enough rain tire inventory on hand at each event to provide up to 1 additional set per car. The total event rain allocation (4 sets max) can be any combination of tires leased at the event and previously leased tires.

<sup>4</sup> All-Star cars will be issued 1 sets of stickers and transfer 2 sets from Qualifying for the Heat Races and 5 sets of stickers for the All-Star Race. Open transfer cars will be allotted 5 sets of stickers for the All-Star Race.

<sup>5</sup> For all entries, Practice allotment will be 1 primary set and 1 option set. Qualifying will be 1 primary set. Race allotment will be 6 primary sets, 2 option sets, and Qualifying carryover set.

<sup>6</sup> Goodyear will transact the Event as a Service Agreement. The Service Agreement will include the lease of the full allotment of dry weather tires, mounting, balancing, and transportation of dry weather assemblies to and from the Event. Dry weather tires will not be available to lease on site at the Event.

<sup>7</sup> Goodyear will transact the Event as a Service Agreement. The Service Agreement will include transportation of wet assemblies to and from the Event. All entries need to present their wet tire assemblies to Goodyear at the Goodyear Cornelius facility. Wet weather tires will not be available to lease on site at the Event.
